- Animated Alphabet - Letter D

#### Math:

- Roll and count game
- Number ID
- Count and glue tickets - do you have enough? activity before star shuttle

#### Writing:

- Pre-Writing Strokes packet
- Trace name and write with just a model

#### Science:

- Sort by attribute work tasks

#### Daily:

- Interactive Notebook (name recognition, calendar, weather, trace numbers and shapes)
- Discrete Trials (individual work on number ID, letter ID, name recognition, colors, vocabulary, counting with I-I correspondence)
- Morning Meeting - greeting, question, calendar, weather, book

#### Ways You Can Support at Home:

- Label your child's things and have them find their name, get their own materials
- Read a book together and ask what they see, what they like, etc.
- Find opportunities to count with your child - How many goldfish at snack? How many socks on your feet? How many steps to the door?
- Encourage your students to dress themselves, clean up after themselves, get their own materials, etc. Promote independence as much as possible.
