

Mrs. Roberts Newsletter

Jan. 30th-Feb. 3rd

Things to work on:

Please ask your child about Super Flex. Super Flex is a super hero that we have been learning about to help us calm down when we are having a problem. Super Flex says: "take a deep breath", "count to ten", "walk away", "squeeze your fists and hold your breath".

Notes from the teacher:

Please remember to have your child read their kiwi bag book OUT LOUD to you every night. This is a great way for parents to have some one-on-one time with your student and to keep them accountable while they are reading. It is always a great idea to ask them to tell you what is happening or what they learned periodically as they are reading.

Spelling Words

1. coach
2. road
3. croak
4. goal
5. roam
6. boat
7. toast
8. coast
9. float
10. throat

read 20 mins. daily

Homework:

compare and contrast
counting money
place value
subtraction

What we are learning this week:

reading	Writing	Spelling	Math	Science	Social studies
How do readers identify the theme, central message, or main topic of a text?	○ Students will write personal narrative books.	○ Oa words	Count within 1000; skip count by 5s, 10s, and 100s.	Students will identify different attributes between different soils.	Use maps and other representations to describe place and the interactions between physical and human geography
